

Philips AVENT
Manual breast pump

SCF300/20

Express more. Quickly.

Inspired by nature

The unique Philips AVENT BPA-Free Manual Breast Pump assures you enhanced efficiency, being clinically proven to express more milk than a hospital-grade double electric pump*.

Clinically proven effective

- Patented Let-down Massage Cushion

Stimulate and express

- Gentle vacuum mimics baby's suckling for steady milk flow
- Soft massage cushions trigger natural let-down, like baby

Flexible and portable

- Easy to assemble and use

Benefits and features:

- Clinically proven

PHILIPS
AVENT

sense and simplicity

Highlights

Patented Let-down Massage Cushion

Five, soft petal massagers gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Soft massage cushions

Patented massage cushions flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.

Easy to assemble and use

Quiet and portable.

Clinically proven

Clinically proven to express more milk than a hospital grade double electric pump*.
